STRESS-FREE, STIMULATING STUDY TOURS

AN UNFORGETTABLE EXPERIENCE!

A residential study trip with their classmates will be the highlight of your students' school life and something that they will remember long afterwards.

Recent changes to the curriculum have created fresh opportunities for school visits and Ofsted recognises that the benefits of taking students out of the classroom are real and tangible.

A well planned study tour can help your students in several ways.

- Teaching them to work as a team
- Encouraging independence & responsibility
- Helping them to think creatively and passionately about the subject
- Improving social and emotional development
- Creates a bond between teacher and pupil

EVERY STUDENT COUNTS!

SAFETY ON SCHOOL VISITS. A MAJOR INITIATIVE TO HELP TEACHERS, SCHOOLS & COLLEGES

Supported by NAHT, ASCL, ATL, NUT and 'Voice – The union for education professionals'.

Studytrips is an Assured Member of the School Travel Forum.

The School Travel Forum is a group of leading school tour operators who promote good practice and safety in school travel. All Assured Members of the STF adhere to a rigorous Code of Practice and Safety Management Standards and are externally verified each year by suitably qualified independent Health and Safety professionals.

Choosing an STF Assured Member ensures teachers, schools and colleges are meeting the requirements of DCSF and Scottish Executive guidelines and that they can delegate important tasks with confidence.

During the course of developing the STF Code of Practice, and in addition to liaising with the DCSF, advice has been sought from all leading educational Unions and Associations. The STF initiative is welcomed by the Outdoor Education Advisors Panel (OEAP) and the DCSF. It has the support of the ASCL, NAHT, ATL, NUT, 'Voice – The union for education professionals' and the NASUWT advises members wishing to organise school trips to use companies that have this type of scheme.

Details of the School Travel Forum Code of Practice are available from www.schooltravelforum.com
